---

We have many representative tissues in China, such as **face tissues, wet wipes, apertured film, toilet paper and toilet paper roll, wet tissues, facial tissue, baby wipes, drawable face tissue, mini handkerchief tissue, lady wet wipe, draw-out tissues** and etc come in a wide range of styles, colors, and finishes.

Wet wipes, also known as a wet nap or a moist towel, is a small moistened piece of paper or cloth that often comes folded and individually wrapped in its own wrapper for convenience. Face tissues are strong in absorbing the water or smear and excellent pulling force. Such tissues are for cleansing or disinfecting. Wet wipes with aloe and lanolin, clean and moisturize thoroughly at every diaper change. They are often dispensed in restaurants, at service stations, along with airline meals, in doctors' offices, and other similar places.

Face tissues care your skin without any toxic result. They are strictly manufactured in high temperature according to health standards.

So try your best to use face tissues reasonably which can give a very soft feeling on the faces and hands. They are all greatly soft and durable wipes.

Hope you can find out the suitable sanitary products from our offers: face tissues, apertured film, wet tissues, baby wipes, drawable face tissue, mini handkerchief tissue, wet wipes, facial tissue, toilet paper and toilet paper roll, lady wet wipe, baby wet wipes, draw-out tissues and so on.
