The goal of our sanitary products: **dry-weave sanitary napkin, sanitary napkin with wings, disposable sanitary napkin, menstrual pad, regular sanitary napkin, china sanitary napkins, feminine napkin, lady napkin, sanitary towel, sanitary pad** and so on is to give you most intact protection, create beauty and healthy life.

Explanation about the history of disposable sanitary napkin

Years ago, all women used some forms of cloth or reusable pad to collect menstrual blood before disposable sanitary napkin was created. Even after it is commercially available, for several years it is too expensive for many women to afford. It took many years for disposable menstrual pads to become commonplace, but since then in most areas of the industrialized world, their use became almost exclusive.

Dry-Weave sanitary napkin is a humanity product. It is made of high-quality purely natural pulp. Super dry-weave top-sheet and special annular grooves can make absorption well proportioned, further preventing side leakage. Sanitary napkin with wings has a clean and dry woven web which can effectively protect skin from irritation through quick penetration. You will be more self-confident to use our disposable sanitary napkin as it is safe and help to release tension and pain. The variety of sanitary napkin may be from the manufacturer's imagination. Our sanitary products are abound in many styles for different purposes, such as dry-weave sanitary napkin, menstrual pad, lady napkin, sanitary towel, regular sanitary napkin, sanitary napkin with wings, disposable sanitary napkin, feminine napkin, china sanitary napkins, sanitary pad and so on.
