As a **sanitary napkin manufacturer**, we have many series of sanitary napkins, such as **china sanitary napkin, regular sanitary napkin, wing type sanitary napkin, dry weave, sanitary pad with wings, hygiene napkin, panty liner, under pads, girl night napkin, wing protection** and so on.

History of china sanitary napkin

During the years, women used many different forms of menstrual protection. The Museum about China sanitary napkin has articles and photos about some early forms of menstrual protection. Women often used strips of folded old clothes or rags to catch their menstrual blood. That is why the term of rags was used to refer to menstruation. China sanitary napkin has been mentioned as early as in the tenth century, when women were said to throw their feminine rags.

Introduction of regular sanitary napkin

Regular sanitary napkin is an absorbent item worn by women while she is menstruating, recovering from surgical operation or any other situation where it is necessary to absorb the flow of blood from the vagina. Our china sanitary napkin has a right wave-groove to absorb instantly so that it can resist leakage safely. The elastic and trendy wings of regular sanitary napkin help to hold the pad in place and protect panties. Its specially designed shape is close to body curves. Wing type sanitary napkin has dry and non-woven sheet which has soft and wide wings. You will feel more comfortable and easeful to use our sanitary napkin of sorts, such as: china sanitary napkin, dry weave, girl night napkin, sanitary pad, hygiene napkin with wings, panty liner, regular sanitary napkin, wing type sanitary napkin, under pads, wing protection and so on.
